

## FreedomVOICE® and Cascade Telecommunications, Inc. Announce Strategic Partnership

*Companies Join Forces to Raise Awareness for the FreedomIQ Hosted VoIP PBX*

BEND, OR - June 25, 2009 – FreedomVOICE®, creators of the industry leading FreedomIQ® Hosted VoIP PBX, and Cascade Telecommunications, Inc., today announced the formation of a strategic partnership. The companies have aligned in order to distribute and promote the popular FreedomIQ Hosted VoIP PBX.

“We couldn’t be happier with the new partnership,” said Eric Thomas, CEO of FreedomVOICE. Cascade Telecommunications, Inc. understands the true value of the FreedomIQ Hosted VoIP PBX. They’ve demonstrated that they are a qualified, mature company and we are looking forward to working with them.”

As a unified communications provider, Cascade Telecommunications, Inc. has many years of experience and has built a solid reputation as the region’s leading technology organization. Now an authorized dealer for the FreedomIQ product, Cascade Telecommunications, Inc. will be responsible for business development and representing FreedomIQ in the community.

“We’ve been interested in the FreedomIQ hosted VoIP PBX since day one,” says Mr. Allan Clack, President of Cascade Telecommunications, Inc.. “Hosted

VoIP phone systems are being adopted by business owners at an increasing rate, and FreedomIQ is a top product option for this segment.”

With powerful features designed to serve entrepreneurs and enterprises alike, FreedomIQ offers industry leading call quality, impressive cost savings, valuable disaster recovery tools, and has become priceless to telecommuters and remote workers.

FreedomIQ was named by Unified Communications magazine as a recipient of the 2008 Product of the Year Award and by TMC’s Communications Solutions as the 2007 Communications Solutions Product of the Year.
